## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1 – 11, 15 – 18 and 20 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter: the prior art of record neither discloses nor fairly teaches the recited limitations of the claimed invention including, but not limited to: the pack including an energetic material section, an energetic initiator section, and a fabric comprising at least one layer of electrically conductive material surrounding the initiator section including a back panel between the sections, the back panel comprising at least one layer of a second material adjacent the electrically conductive material, wherein the back panel is internally situated within the pack.
3. This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).
